EXPERIENCE

Designer | Design for America

OCT 2022 – PRESENT

Developing an accessibility-focused product to address a challenge presented in our community

Graphics Director | Society of Women Engineers @ UW

JUN 2022 – PRESENT

Curate branding guidelines for SWE's advertisement graphics and co-lead a graphics & social media committee to design digital assets

Undergraduate Researcher | KidsTeam UW

JUL 2022 – PRESENT

Utilize participatory design methods to learn how children view topics such as misinformation and automation, and collaborate with them to design low-fidelity prototypes of their ideas

UI/UX Designer | DUBvelopers

OCT 2021 – JUN 2022

Re-designed a website for Philo Cards (UW student startup) with Figma while practicing ideation, user research, wireframing, prototyping, and usability testing to revise prototypes

PR Committee Member | SWE Hacks 2022

OCT 2021 – JUN 2022

Co-created a brand book that guides the 2022 hackathon theme and designed promotional graphics & merchandise for the event

Website Designer | BUZZStop98040.com

APR 2020 – OCT 2021

Designed the website using WIX based on client preferences, monitored site analytics, and regularly updated the blog's content

LEADERSHIP

Advertising Coordinator | SWE Industry Nights

OCT 2021 – JUN 2022

Coordinated and hosted three industry events connecting UW students to engineering professionals

Math Tutor | Mathnasium

JUL 2019 – JUL 2021

Taught mathematics to K-12 students and reported their progress to parents and the center director

EDUCATION

University of Washington

B.S. in Human-Centered

Design & Engineering (HCDE)

Expected Graduation: June 2025

Cumulative GPA: 3.94

Dean's List (all quarters)
